RE: Letter of Concern  
License No. 2261, Case No. 2926M

Dear Dr. Borsand:

During the administrative hearing at its meeting on May 18, 2002, the Board of Osteopathic Examiners in Medicine and Surgery reviewed the above-referenced complaint in which you are named.

Based on the information available and statements made, the Board duly voted to issue you a **LETTER OF CONCERN** regarding the allegations that you violated A.R.S. § 32-1854(6) and (40) by failing to do an adequate History and Physical and not providing adequate lab evaluations prior to surgery. Please note that this is an advisory letter notifying you that, while there is insufficient evidence to support direct action against your license, the Board does believe your conduct in this matter is of some concern and wishes to bring this to your attention. A Letter of Concern is a public document and may be cited in future disciplinary actions against you.

Sincerely,

Joyce M. Kossick, R.Ph.  
Acting Executive Director
